

# INSTRUCTIONAL TECHNOLOGY RESOURCES

## Instructional Technology & Innovation Website

### What resources are available?...

**Training Calendar** - Browse our calendar to find technology training on the following categories: Word, Excel, PowerPoint, SMART Notebook, SharePoint MySites, Outlook Client, NetTrekker, United Streaming, and more. Buy back credit is available.

**Help Center** - Find help guides and video tutorials on many of the above applications.

**SMART Users Group** - Find lessons and instructional websites shared by Fresno Unified teachers. Attend sessions to learn more about SMART technology products and examples of how they are being used in classrooms.

**ITI Podcast** - Subscribe to the Instructional Technology & Innovation podcast and stay informed.
