

**Fresno Unified School District
Office of Communications
2309 Tulare Street ~ Fresno, CA 93721~ (559) 457-3733**

Fresno Unified is evaluating current communication tools in an effort to improve parent engagement. Currently, the District utilizes SchoolMessenger to provide recorded weekly principal messages, inform parents of school events and communicate emergency notifications. As we consider additional options, the district is asking for parent and staff input. Thank you for taking time to complete this short six-question survey.
