The Fresno Unified School District and Fresno Teachers Association (FTA) had a scheduled bargaining session on January 13, 2017.

The District and FTA bargaining teams had productive discussions around FTA’s proposed language in Article 18 – Fringe Benefits for cost clarification.

During the discussions, FTA clarified that the intent of their proposed language was not reflected. As a result, FTA and the District agreed that further clarification of the language is necessary, and FTA requested that District recalculate the cost of FTA’s proposal which should be less than the $60 million originally estimated by the District.

The District and FTA’s next scheduled bargaining session is for Tuesday January 31, 2017.
