Men’s Alliance

Men’s Alliance Purpose
The mission of the Men’s Alliance is to help students develop personal behavior and academic skills that will lead to success in the classroom, career and in their adult lives.

Strategies
- Leadership Development
- Empower students through mentoring and academics to become self-sufficient learners and adults
- Provide training to increase coping skills to manage negative behaviors that lead to suspension/expulsion
- Create academic opportunities to excel student learning
- Provide extracurricular opportunities aligned to career, college and post secondary options
- Foster positive self awareness, respect, and relationships with peers and adults

School Sites
The Men’s Alliance Program is currently being piloted at three school sites: Edison, Hoover, and Sunnyside for the 2010-2011 school year.
