The luncheon will feature Superintendent Bob Nelson as the keynote speaker, discussing district initiatives. The event will also include student entertainment and give guests an opportunity for hands-on career technical education activities led by high school students.

Since 2009, the Fresno Unified Scholarship Fund has awarded 289 scholarships totaling $387,000.

“We encourage the community to join us for the State of Education luncheon to learn more about my vision for a united Fresno Unified and to hear the stories of some of our past scholarship winners,” said Superintendent Bob Nelson.
