MEDIA ADVISORY

Volunteers will Work on Beautification Projects at Elementary Schools

What: Beautification at elementary schools

When: Saturday, Oct. 20, 2018
8:30 a.m.-12:30 p.m.

Where: King Elementary School
1001 E. Florence Ave. (93706)

Volunteers will pick up trash, plant flowers, add mulch, trim bushes and pull weeds at King Elementary School, as well as at Hidalgo, Vang Pao, Webster, Winchell and Yokomi elementary schools. The effort will include more than 500 volunteers, led by students from the Church of Jesus Christ of Latter-day Saints with support from the Neighborhood Revitalization Team and the district’s Parent University. Along with improvements at the schools, the volunteers will paint addresses on curbs and paint home exteriors, including a house in the King neighborhood and two in the Winchell neighborhood.

“We are grateful to the many volunteers who support not only our schools, but the surrounding neighborhoods. Even small details, like freshly planted flowers, make a huge difference to our students, their families, and our school staff,” said Superintendent Bob Nelson.
