Holocaust Survivors Tell Their Stories at Manchester GATE Elementary

What: Two survivors of the Holocaust will speak with students at Manchester GATE Elementary School

When: Thursday, Oct. 25, 2018
9:30-11:30 a.m.

Where: Manchester GATE Elementary School
2307 E. Dakota Ave. (93726)

Two Holocaust survivors, Gabriella Karin and Robert Geminder, will visit fifth and sixth grade students at Manchester GATE Elementary School to tell their stories. Both work at the Los Angeles Museum of the Holocaust. Students will have the opportunity to ask questions. The visit continues the goals of The Human Element project that the Fresno Unified Student Advisory Board began in 2013 as a kindness campaign. Hilary Levine’s fifth grade classes at Manchester GATE have participated in The Human Element project for six years.

“Unless we continue to be vigilant and learn from history, we will repeat the mistakes of the past. What a wonderful opportunity for our students to learn directly from Holocaust survivors,” said Superintendent Bob Nelson.
