Where: Edison High School
540 E. California Ave. (93706)

Students at Edison High School have collected canned food to distribute to those in need in southwest Fresno, just in time for Thanksgiving. The food drive, organized by various student groups on campus, began Nov. 5, with the goal of bringing one can per student. Distribution will be in partnership with West Fresno Ministries.

“Especially during the holiday season, it’s so important to reach out to those in need. Edison students are doing a great job of serving their community,” said Superintendent Bob Nelson.
