Destination Imagination students from Sequoia Middle School will deliver 180 personal hygiene kits to homeless teens and adults. Students collected items and secured donations from local businesses. The students decorated bags for the items with inspirational messages of hope. The students wanted to bring comfort to those in need during the holiday season. At the Poverello House, students will hand out the kits from an outside table with the support of Poverello House staff. Students will also deliver kits to the Fresno Economic Opportunities Commission Youth Sanctuary shelter office on Dec. 14.

Destination Imagination is a project-based extracurricular activity designed to build communication skills, creativity, critical thinking and teamwork.

“Through this project, our Destination Imagination students at Sequoia are providing much needed items to adults and young people who don’t have a permanent place to call home,” said Superintendent Bob Nelson.
