Thanks to the Home Depot Foundation, Fresno Unified School District’s Parent University was awarded $8,250 to beautify Winchell Elementary School’s campus. Home Depot will be installing several tables and benches, as well as flowers, plants and other greenery. This was made possible by local Home Depot Store #1086.

“It’s incredible that our local businesses are stepping up to donate their effort, time and money in support of our schools. Their generosity has a positive impact on students, teachers and the community as a whole,” said Superintendent Bob Nelson.
