MEDIA ADVISORY

Student Immunizations Available at District Clinics

What: The district will hold immunization clinics to prepare students for the start of school

When: Aug. 6-10 and Aug. 13-17, 2018
8 a.m.-2:30 p.m.

Where: Tioga Middle School Room 36
3232 E. Fairmont Ave. (93726)

Fresno Unified’s Health Services will offer immunization clinics for students with Medi-Cal or who are uninsured. Students should:

- Be accompanied by a parent or legal guardian
- Bring their current immunization record
- Bring their Medi-Cal card if they are covered by Medi-Cal insurance

Students with private insurance should call their healthcare provider for immunizations. Families can also contact CVS, Rite-Aid, Walgreens or Walmart pharmacies to determine what insurance they take and what immunizations they have available.

“We urge students with Medi-Cal or without insurance to take advantage of the immunization clinics at Tioga Middle School. We want all of our students to stay healthy and in school every day,” said Superintendent Bob Nelson.
