        4-7 p.m.

Where:  All Fresno Unified schools

Fresno Unified is accommodating families who have not yet registered new students for the 2018-19 school year. As an added convenience, school sites will host evening school registration after normal business hours. If students are interested in transferring outside of their neighborhood school site, they are required to follow the district transfer policy. To learn more about the transfer process visit www.fresnounified.org.

To register a new student, parents or guardians should bring their student’s birth certificate, previous transcripts, immunization records and proof of address.

“Getting children registered prior to the first day of school is a great way to eliminate some of the stress and anxiety that goes along with the first day of school,” said Superintendent Bob Nelson. “We hope that families take advantage of the convenient, after-work hours we offer through evening registration.”
