MEDIA ADVISORY

Volunteers will Work on Beautification Projects at Hidalgo Elementary

What: Beautification projects at Hidalgo Elementary

When: Saturday, Oct. 12, 2019
9:00 a.m.-2:00 p.m.

Where: Hidalgo Elementary School
3550 E. Thomas Ave. (93702)

Volunteers will paint murals, pick up trash, and plant flowers at Hidalgo Elementary School. The beautification efforts will include activities for students, parents, staff and the community. The goal is to strengthen school-community relationships and partnerships, promote a culture of learning and celebrate education together. One of the beautification projects includes starting three school murals that will portray the school mascot, inspiring quotes and an example of diversity.

“By working together on these beautification projects, we want our students and families to embrace learning, and feel a sense of belonging and community with their school. Small details, like freshly planted flowers, make a huge difference to our students, their families, and our school staff. I’m thankful that Principal Alvarez, in her first two months on the job, has made school culture such a high priority,” said Superintendent Bob Nelson.
