Burroughs Students, Staff and Parents Run to Raise Money for The American Cancer Society

What: Burroughs Community gets Messy for a Good Cause

When: Friday, Nov. 22, 2019
9 a.m.

Where: Burroughs Elementary School
166 N. Sierra Vista Ave. (93702)

For the fourth year in a row, Burroughs Elementary School staff, students and parents will run laps and get splashed with color to raise money for The American Cancer Society. The fundraising effort is to teach students the importance of gratitude and giving to others in need. Students will dedicate their run to someone who has inspired them.

“As a proud former Bronco, I applaud the Burroughs community for their efforts to set an example of gratitude and helping those in need. When students think about the needs of others and those who may be struggling, they learn valuable lessons about compassion and the importance of serving their community, lessons that can change our world,” said Superintendent Bob Nelson.
