Twenty Students at Mayfair Elementary to Receive Donated Bikes

What:  London Properties employees will present bicycles to 20 fifth and sixth graders with winning essays

When:  Thursday, Dec. 12, 2019
        12:30 p.m.

Where:  Mayfair Elementary School cafeteria
        3305 E. Home Ave. (93703)

London Properties of Fresno will deliver 20 bicycles to fifth and sixth graders at Mayfair Elementary School, part of a larger project to donate 160 bikes to 20 students at each of eight elementary schools. Other schools receiving bikes are Birney, Heaton, Hidalgo, Homan, Rowell, Vang Pao and Wilson. The students were selected by teachers and staff based on a variety of criteria, such as improvement in behavior, grades and attendance. At Mayfair, students were also selected based on their essays, "How Would Winning a Bicycle Change My Life?" Some students wrote that they had never owned a bike before. The 20 winners will be announced during the lunch period.

“We appreciate the generosity of London Properties, especially at the holidays, to not only our students at Mayfair but at seven other schools. These students will never forget this gift,” said Superintendent Bob Nelson.
