Thanks to the generosity of nearly 400 community sponsors, every student will receive a gift during Kirk Elementary School’s ninth annual Santa Letter Writing Project celebration. For many of the students, this may be their only holiday gift. The event, which began with six sponsors, now includes the support of teachers, former students, community members, church groups, Teens that Care, law firms and many others, who choose a student’s letter to Santa and fulfill one of their wishes. Students are invited to wear pajamas on the day of the celebration, and Santa will be on hand for photos.

Those wishing to sponsor a student’s Santa letter may contact Kirk Elementary at (559) 457-2980.
“We are so grateful that kindness and generosity from the community keeps the Santa Letter Writing Project going for another year at Kirk Elementary, making wishes come true and the holiday more memorable,” said Superintendent Bob Nelson.
