High School Students Meet Fresno Police Chief to Better Connect the Community and Police Department

What: High School Students Meet Fresno Police Chief Jerry Dyer

When: Tuesday, April 30, 2019
5-7 p.m.

Where: Edison High School
540 E. California Ave. (93706)

Edison High School will host students and safety resource officers from eight other Fresno Unified high schools and a middle school for a special forum on safety with Fresno Police Chief Jerry Dyer. Students will have the opportunity to interact with Chief Dyer, ask questions about community safety and learn about careers in law enforcement.

The forum is among the three Youth Meetings Chief Dyer holds every year to help bridge the gap between the community and the police department by connecting with the youth of the city. This is the first time Edison has hosted a Youth Meeting. Along with representatives from Edison, the meeting will include Bullard, Cambridge, Duncan Polytechnical, Fresno, Hoover, McLane, Roosevelt and Sunnyside high schools and Fort Miller Middle School.

“Having the opportunity to sit down with our police chief is a great learning experience for our students. Not only will they gain valuable information about potential careers in law
enforcement, but it reaffirms the positive impact our local law enforcement has on the youth of our district,” said Superintendent Bob Nelson.
