Fresno Unified and Fresno State University will hold a College Send-Off reception to welcome seniors from across the district who have been conditionally admitted to Fresno State, with nearly 400 students registered to attend. Students’ families are also invited to attend. Each student will receive a congratulatory medallion.

This third annual event recognizes the partnership between the district and Fresno State and the ongoing efforts to encourage students to pursue higher education at either Fresno State or other colleges and universities.

“With support from partners like Fresno State, we are building futures and we won’t rest until every Fresno Unified student earns that opportunity to cross the graduation stage with post-secondary options,” said Superintendent Bob Nelson.
