The second annual Steve’s Scholars Banquet will honor 35 seniors from seven high schools for meeting the Steve’s Scholars scholarship criteria from seventh through 12th grade. Each former Tehipite Middle School student maintained a 3.0 or better GPA, had 95% or greater attendance, completed A-G course requirements, and completed at least 60 hours of community service. Each of the students will receive $1,000 for each of their first two years of college. Speakers at the banquet are Fresno City College president Dr. Carole Goldsmith and Ruthie Quinto, the district’s deputy superintendent and chief financial officer. Murray and Francine Farber founded Steve’s Scholars in memory of their son Steven Farber.

“Thanks to Francine and Murray Farber, a second group of seniors will benefit from Steve’s Scholars scholarships, helping them to a great start on their college journey,” said Superintendent Bob Nelson.
