Students from Fresno High School and its feeder schools will run for a cause during a color run organized by student Jose Gutierrez. Jose, a senior, wanted to honor his mother, who passed away in March. Students are seeking pledges for the laps they run in the color run, with proceeds going to Valley Children’s Hospital.

“I commend Jose for finding a fitting way to honor his mother and to involve the entire Fresno High region in raising money for Valley Children’s Hospital,” said Superintendent Bob Nelson.
