**MEDIA ADVISORY**

**School Libraries open During the Summer**

Fresno Unified will open 41 of its school libraries during the summer for students and their families as another way to encourage reading and prevent the “summer slide” in learning. The libraries will be open for computer use, to check out books and to enjoy the libraries’ many resources. Library media technicians will be available to assist visitors.

The district will open libraries at sites where summer school is being held. All elementary and high school library sites will be open during both sessions of summer school, June 11 through July 11. The middle school library sites will be open during Session 1 of summer school, June 11 through June 25. Depending on the site, libraries are open 8 a.m.-noon or 8:30 a.m.-12:30 p.m.

“We hope that our families will take full advantage of our comfortable, cool school libraries as a place to go for fun and learning this summer,” said Superintendent Bob Nelson.
