MEDIA RELEASE

Yosemite Middle School gets Significant Tree Donation

What: Students will plant trees that are being donated to the school to increase tree population and shady areas

When: Saturday, February 8, 2020
9 a.m. – Noon

Where: Yosemite Middle School
1292 N. Ninth St. (93703)

Yosemite Middle School students will plant and care for about a dozen trees, donated by Tree Fresno. Over the past year, the school has lost several trees due to weather or vandalism. Teacher Ted Januse reached out to Tree Fresno to work together and create a “greener” environment and some shady areas for students.

“With these tree plantings, our students are taking action to not only improve their school but help improve the quality of air in their community. Tree Fresno is an important partner in this crucial task, and we appreciate their collaboration with our schools,” said Superintendent Bob Nelson.
