Staff and Students Urged to Respond to Survey on Reopening of Schools

What: The district has emailed a survey on the reopening of schools to all staff and students

Availability: Phone interviews with district leaders upon request.

As the district develops plans to safely reopen schools in August and best serve students, it encourages all Fresno Unified staff and students to complete a survey on the reopening of schools. The short survey was sent directly to Fresno Unified email accounts for staff and students. The deadline to complete the survey is Tuesday, June 16. Those having difficulty accessing their Fresno Unified account should call the Family Technology Support Center at (559) 457-3939. Staff and student input is essential as the district prepares to present reopening options to the Fresno Unified Board of Education on Wednesday, June 17.
