---

Fresno Unified School District does not provide medical coverage for students. This means that you are responsible for medical bills if your child gets hurt during school activities. Any expense incurred when the school calls for emergency medical help is the responsibility of the child's parent/guardian.

We are pleased to make available to you, accident insurance coverage through Student Insurance Company of Los Angeles <http://www.studentinsuranceusa.com> at reasonable rates.

With the link provided above you will be able to view the coverage options and prices that are available to you.

If you are interested, you can log in and sign up for the selected coverage and your child will be covered on the same day it is purchased.

For students who participate in athletics, we recommend the middle or upper ranges of coverage plans.

If you have any questions regarding coverage options, call Student Insurance Company directly at (800) 367-5830. Please do not call the school.

Fresno Unified School District makes this accident insurance available to you as a public service and is not in any way connected with Student Insurance Company or its representatives.
