Mission Statement
To serve the academic and enrichment needs of the students at Roosevelt High School through academic tutoring and enrichment classes and to provide opportunities for student growth and creativity.

Course Descriptions
The following are course descriptions to some of our enrichment and academic classes. For course schedule refer to the back of this brochure.

For more information on these and other classes offered, please contact the after school program lead at Roosevelt High School.

(Teachers and schedule subject to change)

Tutorial Center Library
We tutor in all subject areas and help with homework and class assignments. Program is held every day, Monday-Friday after school, in the library until 7:00pm.

California Content Standards Addressed in all subjects

English Learners’ Tutorial
Homework help in the language that you feel most comfortable.
There is help available in English, Spanish, and Hmong.
California Content Standards Addressed in all subjects

Sports Tutorial
Work with your team to complete assignments and stay eligible for the entire season and beyond!
California Content Standards Addressed in all subjects

B-Boy Dance
Express yourself through dance! This dance class focuses on break dancing technique and form.

Visual and Performing Arts: Dance 2.0-2.3

Screen Printing
Students get a hands-on experience about what it takes to manage a small business. They assist the instructor to take orders, design t-shirts, and the production of screen printing shirts for our school and our community

Writing Strategies 1.0, 2.0

Anime
Students will learn about Japanese Animation. Students in this class share interest in animation and participate in mini cosplay events based on actors from anime they are studying.

Fitness Development
Students have the opportunity to maintain good health by engaging in regular fitness activities in our weight lifting class.

Physical Education Standards

Games and More!
After tutorial, students have the opportunity to collaborate with friends and challenge their cognitive abilities through fun board games and playing cards.

Visual and Performing Arts: artistic Perception 1.1, 1.2

Bass Fishing Club
Students in fishing club share an interest in the recreational sport of fishing. Participants will work together to learn various fishing techniques and also about local fish. Collimating events take place in the form of fishing tournaments throughout the year.

Video Production
Students become the star, the director, or the producer of their own show! Students learn how to use basic media software to create short videos.
Dear Parents and Guardians,

The Velt After School Program is free for all students of Roosevelt High School. We are open Monday through Friday until 7:00pm. Your students can get help with homework in tutorial as well as enjoy our enrichment classes. Also, a snack will be served daily.
