

## **Discuss Process for Selection of Superintendent Search Firm**

**February 8, 2017**

# Potential Process to be Facilitated by Purchasing Department

1. Request recommendations for educational leadership search firms from other California school districts and large urban school districts nationwide
2. Invite identified firms to submit proposal including qualifications, fee structure, timeline, and experience in soliciting community input
3. Appoint committee to review submittals, with objective of selecting one or more firms to interview
4. Identify best value firm based on proven results, qualifications, experience, methodology, references and price
5. Present contract recommendation for Board approval
