HEAR Report from Superintendent

• Highlighted due to COVID-19 crisis, the loss in revenue will not be easy to handle but our Business and Administrative Services team are leading the way across the state and federal landscape with some modeling and planning; anticipating student and staff needs and considering possible risks and offsets. Thanked, Deputy Superintendent Ruthie Quinto and her team, for setting our district up to deal with a crisis such as this, and for leading the way.

• Recognized the work of Food Services team. They show up every weekday to feed our community with love and compassion. Since the beginning of school closure, we have served over ONE MILLION meals for our community. More than 85% of those meals have gone directly to students, with the other 15% serving other family members in need at this time. Thank you to our partner at Fresno EOC, Every Neighborhood Partnership, and our faith community for stepping up and serving our families on Good Friday while our Food Services team and site leaders took a much-needed holiday.

• Stated since the beginning of school closure, the Parent University team has been manning the COVID-19 Call Center. A total of 17 staff members have been answering calls and supporting parents in English, Spanish and Hmong. As the frontline of crisis response to the many questions of our families, students and community – this team has been strong and taking care of one another during this heavy lift. Since the call center was set up on Saturday, March 14, they have taken over 7,500 calls.

• Shared the ATLAS/LCD Help Desk has been fielding calls from families and students as well to help with technology needs during this unprecedented time. In February, they took 700 calls and then experienced a huge jump to over 2,400 calls in March. In just the first half of April, they have received over 3,000 calls. All of this has been done with two permanent staff plus help from others from the Technology team.
Technology is working on setting up a call center specifically for technology support. Thank you, Technology team and site leadership teams for getting out an additional 10,000 devices since the beginning of school closure.

- Highlighted more than 2,000 educators registered for professional learning to build their skills in providing distance learning, the number of students engaging in online learning growing each week, and seeing our teachers finding creative and innovative ways to engage with their students. We recommend checking our website as often as possible and following along on social media for regular updates. Also, for parents, please ensure your phone number and email is up to date in the ATLAS Parent Portal to ensure you are getting SchoolMessenger calls and Rapid Alert text messages for crucial information. OPPORTUNITY FOR PUBLIC COMMENT ON AGENDA ITEM B-15

April Haupt - Dear Sirs/Madams; As a taxpayer within the FUSD district, I humbly request that you do not approve the Dailey Elementary Charter School. It has been my family and many others who have had our children harmed by the administration and teachers of the charter school. Should you bring any concerns (related to IDEA, SELPA, FAPE, ESSA, FERPA, etc.) about the oversight to the Administration, you’ve painted a target on your child’s back, and you will suffer the consequences. They maliciously force families out, as they believe that they are a Charter school and rules don’t apply to them, including the governing Charter document. Due to the COVID-19 coronavirus, it is not timely to approve the Charter Renewal, as many in the community are denied the opportunity to participate in the process and have their concerns heard. I have attached a letter outlining my children’s experiences with the school due to the 250-word limit applied by your process. Currently, we live walking distance to the school, but are forced to drive out of the county to get an education for my children. It’s appalling what the Administration does, and I hope you will not approve the Charter. Thank you for your time. Aprile Haupt (559) 289-1738 (Please include this email to be read into the minutes of the April 15th meeting).

Jessica Hoff Berzac - My name is Jessica Hoff Berzac and I am the mom of 3 Dailey Dragons this year. We’ve been enrolled with the school since 2012. Dailey is providing a truly remarkable education to its scholars and I highly recommend the charter not only be renewed but that FUSD look to the school model for other students and sites in Fresno. Dailey not only creates great scores and high performers under the IB curriculum, but Dailey also helps foster happy students who are eager to learn and consider their classroom a second home. The innovative teaching styles and constant focus on creative project learning have met the needs of my children who are all very diverse and have different needs. Dailey is a truly great school! 3. Kristen Maroot-Rippee My name is Kristen Maroot-Rippee. I have been a very proud and very active Dailey parent since our oldest started kindergarten there in 2011. She is currently wrapping up the middle years program at Cooper Academy. Our middle child is loving first grade at Dailey and if things go as they should tonight, we will walk our youngest through the gates to start kindergarten in the fall. By the time she has moved on from her time at Dailey, we will have been strong supporters of their International Baccalaureate program for its rigorous academics and global outlook, the hard-working Dailey staff, and the community of friends we have formed from there for a solid FIFTEEN years. I cannot imagine the vast void in Fresno if the charter for Dailey and their unique program is not renewed. The students come out on the other side with a strong sense of self, a desire to better and serve their community locally and beyond. Their administrators are great leaders. Their teachers are great leaders. Their students will be the amazing leaders of tomorrow and will be that way largely in part because of their experiences they have at Dailey as a charter school.
I strongly recommend the renewal of the charter and loudly applaud the hard work of the staff at Dailey as they continue to strive to provide our children with the wealth of experiences, conversations, and for fostering a community of life-long learners. Go Dailey class of 2026! Thank you.

On a motion by Board Clerk Davis, seconded by Board Member Cazares, the decision in the Matter of the Dailey Elementary Charter School Renewal Petition was approved, by a vote of 5-0-2-0 as follows: AYES: Board Members: Cazares, Davis, Islas, Jonasson Rosas, and Board President Thomas.
