School-Connected Organizations

The Governing Board recognizes that parents/guardians may wish to organize clubs for the purpose of supporting the educational program and/or extracurricular programs such as athletic teams, debate teams, and musical groups. The Board supports such activities and welcomes parental interest and participation.

Parent/guardian booster clubs shall be especially careful not to seek advantages for the activities they support if those advantages might be detrimental to the entire school program.

The district requires parent/guardian booster clubs to have a written statement of purpose and bylaws so that they may function as organizations independent of the school and that these documents be kept on file in the principal's office.
