The district will hold a virtual Aspiring Teacher Expo on Wednesday, October 28 from 4:30-6:30 p.m. The expo will include information on the district's teacher pipeline programs and an opportunity to meet virtually with university representatives to learn about programs for future teachers.

“The Aspiring Teacher Expo is one of the many ways Fresno Unified pursues local talent to be teachers. If you are passionate about helping the young people of our city, we have the pipeline programs and supports to help you succeed as a teacher for Fresno Unified,” said Superintendent Bob Nelson.
