Fresno Unified Superintendent to Discuss Passage of Measure M

What: Superintendent Bob Nelson will discuss the passage of Measure M

When: Wednesday, March 4, 2020
2 p.m.

Where: Fresno Unified Education Center, Room 204
2309 Tulare St. (93721)

Fresno Unified Superintendent Bob Nelson will discuss the community's approval of Measure M -- based on this morning's projections from the Fresno County Elections Office -- and answer questions regarding the \$325 million school facilities bond. The bond will provide locally controlled funding for Fresno Unified schools for repairs and improvements to continue providing a quality learning environment to help prepare students for college and careers. Funding will be used to modernize and maintain district schools, two-thirds of which were built before 1970. Fresno Unified Board of Education members will attend as well.
