Fresno Unified will honor 49 finalists and announce five winners during its annual Excellence in Education (virtual) celebration. The finalists were nominated by their peers for exemplary work in serving students and the district. Winners will be announced from classified employees, elementary educators, middle school educators, high school educators and administrators.

“Our annual Excellence in Education awards ceremony is a much-anticipated event because it’s an opportunity to showcase the talent, skills and compassion of our colleagues from all areas of the district. It is a chance to honor the best of the best,” said Superintendent Bob Nelson.
