MEDIA RELEASE

Little Book Bins to be Installed for Summer Reading

What: A Little Book Bin will be installed providing free books for students and the community

When: Tuesday, June 29, 2021
12:30-1:30 p.m.

Where: Mayfair Elementary School
3305 E. Home Ave. (93703)

Fresno Unified will install the first of several Little Book Bins and invite students attending summer school to select a book. The bins are being installed at elementary school campuses to promote literacy. The books are free, but readers are encouraged to exchange the books they take with others. The project is in partnership with Reading Heart, Every Neighborhood Partnership, and CalViva Health. Little Book Bins will be installed at Vang Pao Elementary School this summer and at other sites throughout the 2021-22 school year.

“The installation of these Little Books Bins is one of several ways we are encouraging our students to read over the summer, and their families as well,” said Superintendent Bob Nelson.
