Every student at Storey Elementary School will receive a new backpack and school supplies through the Asian Real Estate Association of America (AREEA). The donations were possible thanks to a fundraising drive by AREEA to ensure every student started the new school year with the necessary supplies.

“I am extremely proud of the community’s efforts to help our students. We appreciate the AREEA for their contribution to our school community at Storey. New backpacks will lift our students’ spirits and will encourage them to give their best in the new school year,” said Superintendent Bob Nelson.
