The district will have rapid COVID-19 test kits available for pick up on Friday, Jan. 7 and Monday, Jan. 10 in preparation for the start of school on Tuesday, Jan. 11 following the winter break. The kits for students will be available through curbside pickup by parents or students from 7:15 a.m. to 3 p.m. at Gaston Middle School and Bullard, Fresno, Hoover, McLane, Roosevelt and Sunnyside high schools.

- Bullard: North Parking Lot
- Gaston: Main Drop Off Area
- Fresno High: Echo Street in front of the Library
- Hoover: North Parking Lot
- McLane: Main Drop Off Area
- Roosevelt: Cedar Ave. Parking Lot
- Sunnyside: South Parking Lot

The kits are part of Governor Newsom's announcement that the state would provide at-home test kits for all students in kindergarten through 12th grade prior to the return to school.

"As a precaution, we encourage all students to take the rapid test before returning to campuses as we work together to keep all students and staff healthy and in school," said Superintendent Bob Nelson.
