MEDIA RELEASE

District Unveils “Faces of Fresno Unified” Digital Magazine

The district launches a new digital magazine today, featuring the students and staff of Fresno Unified. “Faces of Fresno Unified” will publish bi-annually, with a special graduation edition. The digital publication will highlight the accomplishments and talents of the Fresno Unified family through words, photos and videos. This edition features the legacy of H. Roger Tatarian, and outstanding students from Hoover High School, Gaston Middle School and Centennial Elementary School. Find out why King Elementary School’s library technician is so beloved, and how a shy Sunnyside High School student joined the first class of the Doctors Academy, became a Fresno physician and now mentors future medical professionals from her alma mater.

“Our new ‘Faces of Fresno’ is a people-centered publication that gives a glimpse into the outstanding students and staff who make up Fresno Unified. I love their stories,” said Superintendent Bob Nelson.
