Fresno Unified and FTA Reach Side Letter Agreement on Salary Increases for Speech Language Pathologists

The Fresno Teachers Association and Fresno Unified School District have reached a side letter agreement on salary increases for credentialled speech language pathologists. The pilot salary schedule is effective Feb. 1, 2023.

With this agreement, salaries range from $87,292 at level 1 to $135,000 at level 15. If at least 27 speech language pathologists are hired by Fresno Unified by June 30, 2026, this salary schedule will become permanent.

“We are pleased to have reached a side letter agreement on an increase for our speech language pathologists, who are an invaluable support and resource for our students,” said Superintendent Bob Nelson. “In this highly competitive career field, we want to be able to attract and retain the best professionals for our students.”
