MEDIA RELEASE

Sunnyside Region Hosts Family Engagement Event Celebrating Reading and Academic Achievement

What: Family night for Sunnyside region promoting reading and academics

When: Friday, May 19, 2023
6-8 p.m.

Where: Sunnyside High School
1019 S. Peach Ave. (93727)

The Sunnyside High School region will host a Family Literacy Night with fun reading activities as well as free books and resources. The event will also celebrate students’ achievement in i-Ready, the district’s online program for math and reading which helps teachers determine the academic needs of students. The program also allows teachers to personalize their learning and monitor progress throughout the school year.

The celebration at Sunnyside is part of a series of family engagement events being held in the high school regions to support the district’s board-adopted Family Goal to “Increase inclusive opportunities for families to engage in their students’ education.” Event sponsors include Parent University and Fresno Unified trustee Valerie Davis.
“I hope Sunnyside region families will come out for a fun night of reading activities and to celebrate the academic growth of our students. This is a great opportunity to connect with other families and staff in the Sunnyside region,” said Superintendent Bob Nelson.
