Registration will begin May 8 and close on May 19. Registration information will be available at www.fresnounified.org.

Summer Camps will run July 10 through July 28 and are one week in length. Speakers will include Superintendent Bob Nelson, members of the Fresno Unified Board of Education, Arianna Paz Chavez, Executive Director of Arte Américas and more!

“Building on the success of last year, our goal is to provide even more opportunities for our students this summer through engaging, hands-on experiences. Students in all grades will be able to participate in fun camps in the areas of science and technology, arts and music, outdoor recreation, athletics and more,” said Superintendent Bob Nelson.
