Students will get Scholastic Books at Reading Event

To promote summer reading, the district is partnering with Scholastic and providing books to students. A Scholastic Grab-n-Go event will take place at the Eaton Elementary Library on Friday, June 30, 2023 at 11:30 a.m.

This summer all students from preschool to sixth grade who are attending summer school will receive a pack of five books, a journal and other resources. This is our fifth distribution of packs, with the goal of getting books into the homes of all our students and families. This event directly supports our literacy initiative to get students reading by first grade.

Speakers will include Fresno Unified’s Chief of Diversity, Equity and Inclusion Carlos Castillo, Principal Beth Buettner and Scholastic’s Rob Walters.
