Tree #2: How a Symptomatic Student Returns to School

How and when can a symptomatic student return to school?

**Option #1**
Licensed Health Care Provider’s note provided that confirms an alternative diagnosis to account for symptoms

Return to school after 24 hours without fever and symptoms resolved

**Option #2**
Negative COVID-19 test result provided

Return to school after 24 hours without fever and symptoms resolved

**Option #3**
Positive COVID-19 test or no test

Student must isolate for 10 days

Return to school 10 days after symptoms started, 24 hours without fever and symptoms resolved

*Please report a positive COVID-19 test result to your school immediately.*

Fresno Unified School District
