- VI. **Agreement:** The duration of this Master Agreement between Fresno Unified, our teachers, and families is for the 2021-2022 school year, to ensure that all students have the opportunity for continued learning in the event of a required quarantine. Parents who do not wish for Fresno Unified to report positive attendance for their quarantined child on days where the student participates in simultaneous instruction and/or completes at home, independent learning work assigned by the teacher must **Opt Out** by calling our **Attendance Department at 559-457-3943**. The decision to opt out of this Master Agreement does not change the quarantine learning opportunities that will be available to your child, but will mean that Fresno Unified will not report the positive attendance of your child for the purpose of attendance reporting, known as Average Daily Attendance (ADA). ADA is the baseline funding for all schools and, by opting out, your child's school will not receive funding associated with the quarantine learning time of your child.
